Dear All,

There are a few bits of information that I need to just pass on to you to help us better meet the needs of our learners:

- **Sun Safe**
As the summer draws on the sun might come out. We will follow government help and guidance in relation to keeping safe in the sun. We have some high factor sun screen at Falcons which we can ask the learners to put on. If your child has an allergy to any substance please let Jo know straight away. Please follow the advice published on www.nhs.uk/live-well/seasonal-health/sunscreen-and-sun-safety
- **Relationships and Sex Education Policy**
Falcons Learning has a legal responsibility to deliver relationships and sex education to our learners. The law also allows you to opt out of the relationships part of this program, but not the scientific side of the package. There is a draft policy on the Falcons website. Please have a look at this and feedback as you wish to Falcons.
- **Mobile Phone Policy**
Falcons Learning continues with the no mobile phone policy and students are asked to hand them in at the beginning of the day. If they decline to do so I would ask for your support to encourage them to hand them in or leave them at home.
- **Distribution of Inappropriate Videos**
At the moment there are a number of illicit videos circulating. We are doing all we can, working with other schools and agencies to combat this and support the learners in making a good choice in not continuing to circulate them. I would ask you to please reinforce this message at home.
- **Mud**
Finally, many of the learners have been coming home muddy. I apologise for this. They have been working on a hands on History project where they have dug a replica fire trench to study World War 2 warfare. This is coming to an end now and you will be pleased to know this is coming to an end... as will I!
- **Smoking and Vaping**
Falcons Learning is a no smoking and no vaping site. Please encourage all learners not to bring smoking and vaping gear onto site.
- **Parent/Guardian Support**
Falcons Learning is open on a Wednesday afternoon for those around our learners.

You are welcome to pop in for a chat, a coffee and a slice of cake. We can help and support in lots of different ways and signpost to the right support if we can't help.

If you need anymore help or advice please give me a call.

Yours Faithfully,

A handwritten signature in black ink, appearing to be the initials 'SW' or 'AB' in a cursive style.
